

Introducing our

JUNIOR

SAVERS

ACCOUNT

We are launching a Junior Savers Account for the purpose of adult parents or guardians to save for their children's future.

The parent or guardian is the Trustee of the account until the child becomes an adult member at 16. As the trustee of the account, an adult member will pay into the account and make additional deposits as per limits of the policy.

To open a Junior Savers account, the junior member must be related and live at the same address as the existing adult member, or be the child or legal guardian of an existing member.

See reverse for full details.

## ► How to open a Junior Savers Account

Please go to: [www.cusecureserver2.co.uk/~metromoneywise/join+borrow/](http://www.cusecureserver2.co.uk/~metromoneywise/join+borrow/) and select Family Member from the dropdown list.

We will require proof of identity, which can be any of the following:

- Birth Certificate
- Child Benefit Letter
- NHS Document
- Letter from School
- Letter or document from Local Authority

Junior accounts will be subject to the £1 joining fee but not the annual £3.50 fee.

## ► Additional Information
